QUARTETS MAKE THIS EVENT POSSIBLE. SIGN UP TODAY

Yes, your quartet can sign-up for a time window, even if only two hours is all the time you can donate. You can even tell us the area of the Cities in which you would like to sing. If you are already a registered quartet and have 5-6 songs to fill 20 minutes, your quartet would also be entitled to a portion of the fee.

Yes, this is a great way to **market your quartet.** Tell all your friends on Face Book, as well as your other friends and neighbors, to ask for your quartet by name.

Yes, this is great **PR for your chorus.** We will be handing out a flyer everywhere we go, about upcoming performances and guest nights. We will also have business cards for you to hand out with the email and phone number to contact for a reminder email next year.

Yes, when you sell a Singing Valentine **the chorus gets paid,** and when your quartet delivers a Singing Valentine the chorus gets paid. You can make this a major fundraiser for your chorus this year.

Yes, we deliver Singing Valentines to co-workers in their offices, grandchildren at school, moms or dads in senior living apartments, hospitals and more. When you arrive dressed as a barbershop quartet everyone will be looking to see who the lucky recipient is!

Have someone capture the special moment on a digital device as a photo or video. Try to make these images something to remember. Show the quartet handing the recipient the card and attempting a peck on the cheek and ask the recipient play along and give a fun exaggerated surprize reaction. **MAKE IT FUN!** Encourage them to share it on our facebook page. A Photo/Video Release Form is available.
