FURTHER DETAIL:

“*Sing4Me*” organized in 1980 as a consortium of non-profit barbershop choruses in the Twin Cities representing two international organizations, the Barbershop Harmony Society (male), and Sweet Adelines International (female). Quartets volunteer their time and talent free to bring fun and song to your offices, school classrooms, nursing homes, hospitals, construction sites, bowling alleys, and any other place you can imagine.

Proceeds go to support activities of the participating choruses. We also support music education in our schools to foster young musicians and can provide a 1-Hour Barbershop Demo package FREE to music educators in the area.
